Mary Grace Scott

Chicago, IL | marygzscott8600@gmail.com | (708) 541-3960 | LinkedIn | https://raptor8600.github.io/Portfolio-Site/

Education

DePaul University – Driehaus College of Business Chicago, IL
Bachelor of Science in Finance | Minor in Economics. Cum Laude (GPA: 3.6/4.0). *03/2025*
Relevant Coursework: Corporate Finance, Investment Analysis, Financial Modeling, Cases in Financial Decision-Making, Business Analytics, Risk Management, Money & Banking, International Monetary Economics

Independent Equity Research

- Nexus Research | Founder & Lead Equity Analyst | 05/2026 – Present
- Author institutional-style equity research reports on U.S. public equities using SEC EDGAR Form 10-K and 10-Q filings with a 4-driver framework (Revenue, Demand, Margin, Structural Shift) to surface variant perception.
- Construct driver-based fundamental valuation models and scenario analyses, benchmarking targets against Wall Street consensus estimates to establish explicit catalysts and falsification criteria (e.g., KVUE +13% BUY, IONQ WATCH, COST 53x P/E HOLD).

Experience

Development & Strategy Consultant (Contract) 07/2026 – Present
Gorgeous Growth LLC *Chicago, IL*
• Built and deployed Discord automation tooling integrating Stripe API for subscription management and Google Calendar API for scheduling in support of agency operations.

Community Manager (Contract) 12/2025 – 06/2026
Wide Open Ventures *Remote*
• Managed logistics for C-suite executive cohort programs on credit union stablecoins; authored finance and crypto research articles reaching 11,000+ viewers.

Strategic & Financial Communications Intern 01/2024 – 06/2024
Riveron Consulting *Chicago, IL*
- Analyzed public company financials and capital markets activity to construct institutional investor relations research deliverables.
- Synthesized earnings call sentiment, peer consensus, and ESG metrics to guide client messaging across IR platforms.
- Utilized FactSet Workstation, S&P Global Capital IQ, Sentieo, and IR Insight for sector research, peer benchmarking, and macroeconomic trend tracking.

Investment Research Intern 07/2023 – 12/2023
McDonnell Capital Management *Oak Forest, IL*
- Researched multi-asset strategies, fixed income vehicles, and retirement planning structures to support fiduciary portfolio management.
- Translated complex quantitative research on Social Security fundamentals and IRA vehicles into client advisory materials.

Projects

Northern Trust x DePaul Case Competition 10/2024
4th Place
• Formulated FX strategic expansion roadmap and evaluated blockchain integration based on fundamental financial analysis.

Fifth Third Bank x Females in Finance DCM Competition 04/2022 – 05/2022
2nd Place
- Engineered LBO-focused valuation model, M&A due diligence, and capital structure analysis for e.l.f. Beauty (ELF).

Fintech & Operational Software Portfolio
- NoteCapture & PathWise: Built AI handwriting-to-text operational PWA and personal finance 3-scenario compound growth suite.
- Trading Game, IR Scraper & EV Trainer: Built Citibank-inspired market simulator, Python SEC EDGAR scraper with REST APIs, and quant EV trainer.
